- **DATE:** September 28th, September 30th, October 2nd
- **TIME:** September 28th,30th - 1800 – 2100
October 2nd (Field Exercise) – 0900 - 1300

Course Description:

This is an instructor lead course geared toward the new wildland firefighter. The course consists of two classroom sessions covering Firefighter preparedness, Tools, Suppression, Securing the Line, Mop-up and Safety. This is followed by a field exercise on the last day. Students will be tested on the written as well as skills section of the class and must obtain at least a 70% or higher to pass.

**** REGISTRATION DEADLINE: September 24th, 2010**

**** Minimum class size of 10 students.** Applicants can contact Craig Aldenderfer to apply. If the minimum of 10 is not met, the class **WILL** be canceled.

NOTE: YOU MUST PRE-REGISTER TO ATTEND. Classes have been cancelled in the past which could have been held if people would have pre-registered!

**** Food and drink will not be provided**
